

Proclamation Trust Training Courses

SEND Statement

The Proclamation Trust (PT) is committed to welcoming and supporting students with Special Educational Needs and Disabilities (SEND). We believe every person is made in the image of God and has equal value and dignity. Our aim is to ensure that all students can participate fully in the life and learning of the course.

We encourage applicants and students to share any specific needs so that appropriate support and reasonable adjustments can be made. Adjustments may include accessible learning materials, alternative formats, flexible assessment arrangements, or venue accessibility support.

Our staff are committed to inclusion, understanding, and grace, and we review our provision regularly to ensure that PT remains a place where all students can thrive in knowledge, goodness and ministry preparation.

For more information, please request a copy of our SEND Policy.

To discuss SEND support, please contact the PT SEND Coordinator(s):

Tom Liu – male students

Carrie Sandom – female students
